Wind for north and sun be di queril for see the man whe e strong.
Time whe some wakar man done came, wrap e with hot closs. Them
be gree say man whe e go first makam the wakar man move e
closs, go be na man whe e strong pass the other man. Then
wind for north be di blow strong strong. But as e continue for di
blow plenty, so the wakar man done wrap e with e closs fine. The
wind for north no be fit continue e be stop. Then the sun shine
hot, the same time the wakar man di move e closs for e skin and so
the wind for north be get for gree say sun strong pass e.
