Di naht breeze an di sun ah awgue bout who stronga dan who, wen wan travella cum wrap up inna sweata. Dem decide dat di one who first mek di travella tek off him sweata ah di one weh stronga dan di odda. Den di naht breeze blow haad, but di haada him blow di travella wrap di sweata tigha: den finally the breeze give up. Den di sun staat shine bright-bright an di man tek off di sweata. An suh di naht breeze confess dat di sun stronger dan him.

Free Passage

Winter deh an Ingran

but mi deh-ya inna de sun all day.

And when mi memba how oonu a shiver inna de col

mi jus sip fi-mi coconut waata an laugh.

Mi av one school frien a live anna de country still.

So mi seh to miself, "Mi a go look fi she."

Mi tek de bus fram toun. De bus pack wid people.

It so hat me staat fi sweat.

At laas mi reach fi-mi stap.

Mie frien a wait deh.

She come meet mi.

In no time we reach di house.

It big an cool an nice.

Mi ol frien-dem glad fi see mi.
